

The logo of the Military Aviation Authority (MAA) is located in the upper right quadrant of the slide. It consists of several parallel, diagonal lines that sweep upwards from the bottom left towards the top right. The top line is a light blue, and the lines below it are a darker blue, with the bottom-most line being a bright orange. The lines are of varying lengths and are slightly irregular, giving the logo a sense of motion and speed.

Military Aviation Authority

Developments in Dutch Military Aviation

A Military Aviation Authority's perspective
